This software and its documentation are protected by United States copyright law and also by International Treaty provisions. Any use of this software in violation of copyright law or the terms of this agreement will be prosecuted to the best of our ability.

Copyright 2002 TurboPower Software Company. All rights reserved.

TurboPower Software Company authorizes you to make archival copies of this software for the sole purpose of back-up and protecting your investment from loss. Under no circumstances may you copy this software or documentation for the purposes of distribution to others. Under no conditions may you remove the copyright notices made part of the software or documentation.

You may distribute, without run-time fees or further licenses, your own compiled programs based on any of the source code of Async Professional. You may not distribute any of the Async Professional source code, compiled units, or compiled example programs without written permission from TurboPower Software Company. You may not use Async Professional to create components or controls to be used by other developers without written approval from TurboPower Software Company. You may also distribute AWMODEM.INI, the modem database file, and the modemcap modem database, except with applications that are communication libraries for programmers. You may redistribute Async Professional runtime packages, installed in the /REDIST folder, only for the purpose of executing application programs created with Delphi or C++Builder. You may not modify these packages in any way. You may also redistribute the fax printer drivers and DLLs installed in the /REDIST folder. The TurboPower Software Company electronic signature must remain affixed to the distributable package.

Async Professional is licensed for use solely on Microsoft Windows platforms.

Note that the previous restrictions do not prohibit you from distributing your own source code or units that depend upon Async Professional. However, others who receive your source code or units need to purchase their own copies of Async Professional in order to compile the source code or to write programs that use your units.

The supplied software may be used by one person on as many computer systems as that person uses. Group programming projects making use of this software must purchase a copy of the software and documentation for each member of the group. Contact TurboPower Software Company for volume discounts and site licensing agreements.

This software and accompanying documentation is deemed to be "commercial software" and "commercial computer software documentation," respectively, pursuant to DFAR Section 227.7202 and FAR 12.212, as applicable. Any use, modification, reproduction, release, performance, display or disclosure of the Software by the US Government or any of its agencies shall be governed solely by the terms of this agreement and shall be prohibited except to the extent expressly permitted by the terms of this agreement. TurboPower Software Company, 15 North Nevada, Colorado Springs, CO 80903-1708.

With respect to the physical media and documentation provided with Async Professional, TurboPower Software Company warrants the same to be free of defects in materials and workmanship for a period of 60 days from the date of receipt. If you notify us of such a defect within the warranty period, TurboPower Software Company will replace the defective media or documentation at no cost to you.

TurboPower Software Company warrants that the software will function as described in this documentation for a period of 60 days from receipt. If you encounter a bug or deficiency, we will require a problem report detailed enough to allow us to find and fix the problem. If you properly notify us of such a software problem within the warranty period, TurboPower Software Company will update the defective software at no cost to you.

TurboPower Software Company further warrants that the purchaser will remain fully satisfied with the product for a period of 60 days from receipt. If you are dissatisfied for any reason, and TurboPower Software Company cannot correct the problem, contact the party from whom the software was purchased for a return authorization. If you purchased the product directly from TurboPower Software Company, we will refund the full purchase price of the software (not including shipping costs) upon receipt of the original program media and documentation in undamaged condition. TurboPower Software Company honors returns from authorized dealers, but cannot offer refunds directly to anyone who did not purchase a product directly from us.

TURBOPOWER SOFTWARE COMPANY DOES NOT ASSUME ANY LIABILITY FOR THE USE OF ASYNC PROFESSIONAL BEYOND THE ORIGINAL PURCHASE PRICE OF THE SOFTWARE. IN NO EVENT WILL TURBOPOWER SOFTWARE COMPANY BE LIABLE TO YOU FOR ADDITIONAL DAMAGES, INCLUDING ANY LOST PROFITS, LOST SAVINGS, OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THESE PROGRAMS, EVEN IF TURBOPOWER SOFTWARE COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

By using this software, you agree to the terms of this section and to any additional licensing terms contained in the deployment section of the README.HLP file. If you do not agree, you should immediately return the entire Async Professional package for a refund.
